Vine Vale Winemakers Shed Day

6 Winemakers - 6 Sheds - 1 Road - 1 Day Only!

On Sunday 9th of October, the collective of small family winemakers from the sub-region of Vine Vale, will shed their winemaking secrets to lovers of estate grown Barossan wine.

Without permanent cellar door facilities these little gems are hard to find, crafting their wine from their family vineyards, from grape to glass!

For one day only you're invited into the private sheds of the Vine Vale Winemakers, located on Light Pass Road, via an exclusive wine shed trail.

Tim Smith Wines, 996 Light Pass Road
Hart of the Barossa, 931 Light Pass Road
Heidenreich Estate, 846 Light Pass Road
Steinborner & Reynolds Family Vineyards, Corner Light Pass & Siegersdorf Roads
Kurtz Family Vineyards, 731 Light Pass Road
Cirillo Estate Wines, Corner Light Pass & Nuraip Road

The trail order is optional, so you can visit any or all of the 6 winemakers at your leisure.

What will you find in the sheds of Vine Vale?

Each of the six small producers will offer a unique wine tasting experience for visitors. An array of varieties and vintages will be showcased, reflecting their vineyards, varieties and distinctive winemaking styles.

Keep in touch via socials for updates about food, wine and other offerings at each shed!
